

# Mowin' Down The Roses

[Jamey Johnson](#)

Down in Mississippi its a perfect time of year  
To bring out the jumper cables  
And crack this old John Deere  
Well I cant wait to fire it up  
And put her into gear  
I know that I should be hurting  
But I'm smiling ear to ear Cause I'm mowin' down the roses [Repeat: x3]  
That you planted in our yard I poured out your pretty perfume  
Straight down the toilet bowl  
And I'm ripped your face straight off the wall  
Left nothin' but some holes  
I loaded up your closets into 15 garbage bags  
And I smoked 'em with your popuri with a burn pile in a bag [Chorus] Down in Mississippi its getting perfectly  
clear  
That anything you used to love  
Ain't going to grow around here  
Cause I'm mowin' down the roses  
That you planted in our yard [Repeat: x3]  
I'm mowin' down the roses
