Right Time Of The Night

Jennifer Warnes

Sun goes down on a silky day
Quarter moon walkin' through the Milky Way
Oh, you and me, baby
We could think of somethin' to doIt's the right time of the night
The stars are winkin' above
It's the right time of the night
For makin' loveNo use talkin' when the shadows fall
Nightbirds callin' and he says it all
Oh, you and me, baby
We could think of somethin' to doIt's the right time of the night
The stars are winkin' above
It's the right time of the night
For makin' loveI've got you, you've got me
Tell you that's the way my momma
Always said it should be
I'll be cruel, you'll be kind
We'll be bad if you don't mindIt's the right time of the night
The stars are winkin' above
It's the right time of the night
For makin' loveIt's the right time of the night
The stars are winkin' above
It's the right time of the night
Makin' loveIt's the right time of the night
The stars are winkin' above
It's the right time of the night
For makin' love
