I Got A Girl

Lou Bega

Six, seven, eight, nine, ten
Lou Bega on a trip, would you all come in?
With a little bit of this and a little bit of that
You can get what you see, you can see what you get
And I bet that you all a little bit excited
If you need a autograph, honey, I can write it
I got girls worldwide on the planet
Some called Whitney and some called Janet
I gotta girl in Paris, I gotta girl in Rome
I even gotta girl in Vatican Dome
I gotta girl right here, I gotta girl right there
And I gotta girlfriend everywhere
I gotta girl on the Moon, I gotta girl on Mars
I even gotta girl that likes to dance in the stars
I gotta girl right here and one right there
And I gotta girlfriend everywhere
From Miami Beach to Beluga Bay
From the Milky Way to East L.A.
From St. Tropez to my home cafe
That
