

# I Got A Girl

**Lou Bega**

Six, seven, eight, nine, ten  
Lou Bega on a trip, would you all come in?  
With a little bit of this and a little bit of that  
You can get what you see, you can see what you get  
And I bet that you all a little bit excited  
If you need a autograph, honey, I can write it  
I got girls worldwide on the planet  
Some called Whitney and some called Janet  
I gotta girl in Paris, I gotta girl in Rome  
I even gotta girl in Vatican Dome  
I gotta girl right here, I gotta girl right there  
And I gotta girlfriend everywhere  
I gotta girl on the Moon, I gotta girl on Mars  
I even gotta girl that likes to dance in the stars  
I gotta girl right here and one right there  
And I gotta girlfriend everywhere  
From Miami Beach to Beluga Bay  
From the Milky Way to East L.A.  
From St. Tropez to my home cafe  
That
