

Physical (Divine Elements Remix)

Olivia Newton-John

I'm sayin' all the things that I know you'll like
Making good conversation I gotta handle you just right, you know what I mean
I took you to an intimate restaurant, then to a suggestive movie
There's nothing left to talk about 'less it's horizontally
Let's get physical, physical, I wanna get physical, let's
get into physical
Let me hear your body talk, your body talk, let me hear your body talk
Let's get physical, physical, I wanna get physical, let's get into physical
Let me hear your body talk, your body talk, let me hear your body talk
I've been patient, I've been good, try'n to
keep my hands on the table
It's gettin' hard this holdin' back, you know what I mean
I'm sure you'll understand my point of view, we know each other mentally
You've gotta know that you're bringin' out the animal in me
Let's get physical, physical, I wanna get physical,
let's get into physical
Let me hear your body talk, your body talk, let me hear your body talk
Let's get physical, physical, I wanna get physical, let's get into physical
Let me hear your body talk, your body talk, let me hear your body talk
