

# Teenage Dream (N'Joy & Emily Remix)

Katy Perry

You think I'm pretty without any make-up on  
You think I'm funny when I tell the punch line wrong  
I know you get me, so I let my walls come down, down  
Before you met me, I was all right  
But things were kinda heavy, you brought me to life  
Now every February you'll be my valentine, valentine  
Let's go all the way tonight  
No regrets, just love  
We can dance until we die  
You and I, will be young forever  
You make me feel like I'm living a teenage dream  
The way you turn me on, I can't sleep  
Let's run away and don't ever look back  
Don't ever look back  
My heart stops when you look at me  
Just one touch, now baby I believe  
This is real, so take a chance  
And don't ever look back, don't ever look back  
We drove to Cali and got drunk on the beach  
Got a motel and built a fort out of sheets  
I finally found you, my missing puzzle piece  
I'm complete  
Let's go all the way tonight  
No regrets, just love  
We can dance until we die  
You and I, we'll be young forever  
You make me feel like I'm living a teenage dream  
The way you turn me on, I can't sleep  
Let's run away and don't ever look back  
Don't ever look back  
My heart stops when you look at me  
Just one touch, now baby I believe  
This is real, so take a chance  
And don't ever look back, don't ever look back  
I'ma get your heart racing in my skin-tight jeans  
Be your teenage dream tonight  
Let you put your hands on me in my skin-tight jeans  
Be your teenage dream tonight  
Youuuu You make me feel like I'm living a teenage dream  
The way you turn me on, I can't sleep  
Let's runaway and don't ever look back  
Don't ever look back  
My heart stops when you look at me  
Just one touch, now baby I believe  
This is real, so take a chance  
And don't ever look back, don't ever look back  
I'ma get your heart racing in my skin-tight jeans  
Be your teenage dream tonight  
Let you put your hands on me in my skin-tight jeans  
Be your teenage dream tonight
