

U Got That Love (Call It a Night)

Gerald Levert

Baby, baby, baby, baby You got that, that it's too good I don't deserve that kinda love
That girl I'm callin' in sick to work kinda love
That sweaty funky dope kinda love
That's what you got, that call it a night kinda love That girl slow down, I'm about to bust kinda love
That don't stop girl, get it get it kinda love
That back it up, break it off head boards knocking kinda love
That's what you got, call it a night kinda love Baby, I think I'm comin' home early
'Cuz girl, my body's yearning for what you did last night
'Cuz when you did it, ooh, it didn't make no sense
'Cuz girl you know, you know, you know, you know, you know
That you sure got a nigga spinnin' 'Cuz you got that, that it's too good I don't deserve it kinda love
That girl I'm callin' in sick to work kinda love
That sweaty funky dope kinda love
That's what you got, that call it a night kinda love That girl slow down, I'm about to bust kinda love
That don't stop girl, get it, get it kinda love
That back it up, break it off head boards knocking kinda love
That's what you got, that call it a night kinda love Baby, wish you could feel what I was feelin'
'Cuz girl, when I'm inside you, girl, I'm so complete
'Cuz when we're apart, I'm only half the man that I am with you
And it's you that I need And all of that, all of that, that it's too good I don't deserve it kinda love
That girl I'm callin' in sick to work kinda love
That sweaty funky dope kinda love
That's what you got, that call it a night kinda love That girl slow down, I'm about to bust kinda love
That don't stop girl, get it, get it kinda love
That back it up, break it off head boards knocking kinda love
That's what you got, call it a night kinda love No telephones ringing, no back around singing
Don't wanna see no TV, I just wanna be sleeping
The way you put it on me, baby girl, you show me
That I ain't never leaving, you got the lovin' I'm needing Said you got that, turn the blue light in the basement
kinda love
Ooh, girl I wanna slap your mama kinda love
That funky dope kinda love
That's what you got, that call it a night kinda love That girl slow down I'm about to bust kinda love
That don't stop get it, get it, get it kinda love
That back it up, break it off head boards knocking kinda love
That's what you got, call it a night kinda love You got that love and I don't deserve it
But I need it, baby please ooh, ooh, ooh, oh, oh
Got me singing', ooh, ooh, oh, oh, oh, oh
You got that kinda love, baby
