

I Can Help

Elvis Presley

If you've got a problem, I don't care what it is
If you need a hand, I can assure you this
I can help, I've got two strong arms, I can help
It would sure do me good to do you good
Let me help It's a fact that people get lonely, ain't nothing new
But a woman like you, baby, should never have the blues
Let me help, I've got two for me, let me help
It would sure do me good to do you good
Let me help When I go to sleep at night, you're always a part of my dream
Holding me tight and telling me everything I want to hear
Don't forget me, baby, all you gotta do is call
You know how I feel about you, if I can do anything at all
Let me help, if your child needs a daddy, I can help
It would sure do me good to do you good, let me help When I go to sleep at night, you're always a part of my
dream
Holding me tight and telling me everything I want to hear
Don't forget me, baby, all you gotta do is call
You know how I feel about you, if I can do anything at all
Let me help, if your child needs a daddy, I can help
