

Sajna (feat. A. R. Rahman)

Michael Bolton

When you smile I smile with you
When you cry I feel it too
You're my soul
My heart calling out to you
Be my eyes when I can't see
Be my voice when I can't speak
Be my light
When darkness creeps on me
Sajna, sajna, sajna re
Aa ja sajna, sajna, sajna re
Sajna, sajna, sajna re
Aa ja sajna, sajna, sajna re
To the star that shines so bright
'Cross the sky, 'cross my night
Making ways to be right by your side
Hold me close, don't let me go
Hold me tight, don't you say no
Save the love we have forevermore
Sajna, sajna, sajna re
Aa ja sajna, sajna, sajna re
Sajna, sajna, sajna re
Aa ja sajna, sajna, sajna re
Save me when my dream catches fire
Save me, be my only desire
Wake me when the pain is over
Take me now, take me now
Take me now
When you smile I smile with you
When you cry I feel it too
You're my soul
My heart calling out to you
Be my eyes when I can't see
Be my voice when I can't speak
Be my light
When darkness creeps on me
Sajna, sajna, sajna re
Aa ja sajna, sajna, sajna re
Sajna, sajna, sajna re
Aa ja sajna

Hold me close, don't let me go
Hold me tight, don't you say no
Hold me close, don't let me go
Hold me tight, don't you say no
Hold me close, don't let me go
Hold me tight, don't you say no
Hold me close, don't let me go
Hold me tight, don't you say no
Hold me close, don't let me go
Hold me tight, don't you say no
Hold me close, don't let me go
Hold me tight, don't you say no
Hold me close, don't let me go
Hold me tight, don't you say no
Save the love we have forevermore

Forevermore
