Bold As Love

Brian Melo

Anger, he smiles, towered
In shiny metallic purple armor
Queen Jealousy, envy waits behind him
Her fiery green gown sneers at the grassy ground
Blue are the life-giving waters
Taken for granted, they quietly understand
Once happy turquoise armies lay opposite ready
But wonder why the fight is on
But they're all, they're bold as love
Yeah, they're all, they're bold as love
They're all, they're bold as love
Just ask the axis
My red is so confident that he flashes
Trophies of war and ribbons of euphoria
Orange is a young, full of daring
But it's very unsteady for the first go round
My yellow, in this case is not so mellow
In fact I'm trying to say, it's frightened like me
And all these emotions of mine keep holding me from
Giving my life to a rainbow like you
But I'm, I'm bold, I'm bold as love
Yeah, I'm bold, I'm bold as love
I'm bold, I'm bold as love
Just as the axis
He knows, he knows, he knows
He knows everything
I'm bold, I'm bold as love, yeah
I'm bold, I'm bold as love
Hear me talking to you
I'm bold, I'm bold as love, yeah
