

Now or Never (feat. Sy Oliver and His Orchestra)

Billie Holiday

Hey fat daddy make up your mind
'Cause I've been waiting such a long, long timeNow baby or never
'Cause I've been so good to you
Now baby or never
'Cause I've been so lonesome, tooNow baby or never
If I mean anything to you
Now baby or never
'Cause you wasted so much timeNow baby or never
'Cause you can't make up your mind
Now baby or never
And it ain't no fault of mine
It's got to be yes or no, it's either you stay or go
You can't leave me on the shelf, you gotta commit yourself
It's either you will baby or won't fall in love with meGonna call you once more on the telephone
I'll give you till twelve then I'll be goneNow baby or never
'Cause I've been so good to you
Now baby or never
'Cause I've been so lonesome, tooNow baby or never
If I mean anything to you
Now baby or never
'Cause you wasted so much timeNow baby or never
'Cause you can't make up your mind
Now baby or never
And it ain't no fault of mine
It's got to be yes or no, it's either you stay or go
You can't leave me on the shelf, you gotta commit yourself
It's either you will baby or won't fall in love with meI waited last night for you to call
You give me no consideration at allIt's now baby or never
'Cause you wasted so much time
Now baby or never
And you must make up your mindNow baby or never
And it ain't no fault of mineIt's got to be yes or no, it's either you stay or go
You can't leave me on the shelf, you gotta commit yourself
It's either you will baby or won't, you do baby or don't
Either you will baby or won't fall in love with me
