Around and Around

Mark Kozelek

Time, as I've known it
Doesn't take much time to pass by me
Minutes into days, turn into months
Turn into years, they hurry by me
But still I love to see the sun go down
And the world go around

Dreams full of promises
Hopes for the future, I've had many
Dreams I can't remember now
Hopes that I've forgotten, faded memories
But still I love to see the sun go down
And the world go around

And I love to see the morning as it steals across the sky
I love to remember and I love to wonder why
And I hope that I'm around so I can be there when I die
When I'm gone

I hope that you will think of me
In moments when you're happy and you're smiling
That the thought will comfort you
On cold and cloudy days if you are crying
And that you'll love to see the sun go down
And the world go around
And around and around
