Pharaoh

Bryan Silva

yung savage pharaoh
fuck your bitch
golden diamonds round my neck
while im countin' up checks
my dick she feel (?)...
smash your bitch 'til her legs shake
bust my nut... (inaudible)

king mixed with a pharaoh
coolin on the block
twenny fifty hunn'eds
in my pocket
glock 40 in my lap
go ahead try that fufu lame shit
you wont have a head
trigger squeeze three lead off
my savages fix shit
real quick pharaoh
on this throne
tell your (?) to deep throat my dick
non stop, til i bust my nut
she better not choke or (?) savage
smash your bitch from the back
smack her ass
pull her hair
then she look back, all she see is
a yung savage pharaoh

(repeat first verse x2)
