

# Shattered (turn The Car Around)

## O.a.r. (of A Revolution)

In a way, I need a change  
From this burnout scene  
Another time, another town  
Another everything  
But it's always back to you

Stumble out, in the night  
From the pouring rain  
Made the block, sat and thought  
There's more I need  
It's always back to you

But I'm good without ya  
Yeah, I'm good without you  
Yeah, yeah, yeah

How many times can I break till I shatter?  
Over the line can't define what I'm after  
I always turn the car around  
Give me a break let me make my own pattern  
All that it takes is some time but I'm shattered  
I always turn the car around

I had no idea that the night  
Would take so damn long  
Took it out, on the street  
While the rain still falls  
Push me back to you

But I'm good without ya  
Yeah, I'm good without you  
Yeah, yeah, yeah

How many times can I break till I shatter?  
Over the line can't define what I'm after  
I always turn the car around  
Give me a break let me make my own pattern  
All that it takes is some time but I'm shattered  
I always turn the car around

Give it up, give it up, baby  
Give it up, give it up, now  
Now

How many times can I break till I shatter?  
Over the line can't define what I'm after  
I always turn the car around  
All that I feel is the realness I'm faking  
Taking my time but it's time that I'm wasting  
Always turn the car around

How many times can I break till I shatter?  
Over the line can't define what I'm after  
I always turn the car around

Don't wanna turn that car around  
I gotta turn this thing around
