Unity

Operation Ivy

[verse 1]
There's a war going down between
My brothers tonight
I don't want no war
Going down, going down
Tonight[Chorus]
Stop this war
Stop this war[verse 2]
Civilization -- Ha!
I call it as I see it
I call it bullshit you know
I still cannot believe it
Our evolution now
Has gone the way of hate
A world evolved resolved
Into this stupid fate[Chorus]
Stop this war
Stop this war[verse 3]
All so different -- Yeah
I say were all the same
All caught you know in the division game
Self destruction fast
Impending like a bullet
No one can stop it
Once it's fired no one can control it[Chorus]
Stop this war
Stop this war[verse 4]
A final word:
Wait, it's not a call to action
We ain't no sect
No this ain't no fucking faction
Unity unity unity
You've heard it all before
This time it's not exclusive
We want to stop a war[Chorus]
Stop this war
Stop this war[bridge]
Ain't nothing wrong
With another unity song

Ain't nothing wrong
With another unity song
Ain't nothin wrong
Ain't nothin wrong
Ain't nothin wrong
Ain't nothin wrong
With a unity song![Chorus]
Stop this war
Stop this war[coda]
