Close Your Eyes

Spoken

I traveled miles away, days away
And I traveled miles away
I traveled miles away, I traveled days away
My love, just close your eyes and picture me
And just picture me
I traveled days away, weeks away
I traveled days awayAnd time goes by so slowly when I'm away
And oh so fast when you are near
I need you with me
And time goes by so slowly when I'm away
And oh so fast when you are nearI'm sure these tears will be
My morning greeting
My love, just close your eyes and picture me
And just picture me
And I traveled far away, worlds away
I traveled far awayAnd time goes by so slowly when I'm away
And oh so fast when you are near
I need you with me
And time goes by so slowly when I'm away
And oh so fast when you are nearNot as strong as I thought I was
Seeing through these tears that I cry
Not as strong as I thought I was
Seeing through these tears that I cryAnd time goes by so slowly when I'm away
And time goes by so slowly when I'm away
And oh so fast when you are near
I need you with meMy love, just close your eyes
My love, just close your eyes
My love, just close your eyes
