

# World

## Five for Fighting

Got a package full of wishes  
A time machine, a magic wand, a globe made out of gold  
No instructions or commandments  
Laws of gravity or indecisions to uphold  
Printed on the box I see  
A.C.M.E.'s build a world to be  
Take a chance, grab a piece  
Help me to believe it  
What kind of world do you want? Think anything  
Let's start at the start, build a masterpiece  
Be careful what you wish for  
History starts now  
Should there be people or peoples  
Money, funny pedestals for fools who never pay  
Raise your army, choose your steeple  
Don't be shy, the satellites can look the other way  
Lose the earthquakes, keep the faults  
Fill the oceans without the salt  
Let every man own his own hand  
Can you dig it, baby?  
What kind of world do you want? Think anything  
Let's start at the start, build a masterpiece  
Be careful what you wish for  
History starts now  
Sunlight's on the bridge  
Sunlight's on the way  
Tomorrow's calling  
There's more to this than love  
What kind of world do you want?  
What kind of world do you want? Think anything  
Let's start at the start, build a masterpiece  
Yeah, history starts now, starts now  
Be careful what you wish for  
Start now, now
