

# The Precious Jewel

## Charlie Haden & Pat Metheny

Way back in the hills, when a boy, I once wandered  
Buried deep in her grave lies a girl that I love  
She was called from this earth, a jewel for heaven  
More precious than diamonds more precious than gold.

When a girl of sixteen, we courted each other  
She promised someday to become my sweet wife  
I bought her the ring to wear on her finger  
But the angels they called her to heaven one night.  
A jewel here on earth, a jewel up in heaven

She'll brighten the kingdom around God's great throne  
May the angels have peace, God bless her in heaven  
They've broken my heart and they left me to roam.

This world has its' wealth, its' trials and troubles  
Mother earth holds her treasures of diamonds and gold  
But it can't hold the soul of one precious jewel  
She's resting in peace with the heavenly fold.  
May the angels have peace, God bless her in heaven  
They've broken my heart and they left me to roam.
