Into the Wind (Live 2N2R)

Crush 40

If you wanna make it, you've gotta give'em all Lay it all on the line You wonder why good things never come easy Don't stop for anythingDon't give up, keep the fire, keep the faith You life is in your hands Don't you think that it's time you take a chance 'Cause you're gonna have to face itStart you up, down the road you go Hang on to your dreams, yeah Crusin' down to the paradise Turn the car into the wind, yeahYou've got to fight to keep sight of your dreams Keep your hands on the wheelDon't give in, you have the strength to get over You better stand up There's a light still shining on you Fair wind is blowin' to your wayStart you up, down the road you go Hang on to your dreams, yeah Crusin' down to the paradise Turn the car into the wind, yeah Into the windYou're much too serious Let's steal away, blow your mind That's an easy thing to say You must take a stepStart you up, down the road you go Hang on to your dreams, yeah Crusin' down to the paradise Turn the car into the wind, yeah Crusin' down to the paradise Turn the car into the wind, yeah
