Psalm 62

Shane & Shane

He's the only one strong enough to lean
My heaviness against the weight of all my sin
Falling on a rock, leaning on a fortress
Oh the wall of God, Jesus, He won't moveOn God I rest my salvation
My fortress shall not be shaken
My mighty rock and my glorious
I lay my head upon His chest, on God I restOh, I am calling out
Oh my soul, oh my stubborn soul
Won't you wait on Him?
Wait in the quiet even in your fear
Oh your God is here to lean on, He won't moveOn God I rest my salvation
My fortress shall not be shaken
My mighty rock and my glorious
I lay my head upon His chestHe has spoken, hear His voice
Oh, I have come for the broken
So all you, all you weary come and restOn God I rest my salvation
My fortress shall not be shaken
My mighty rock and my glorious
I lay my headOn God I rest my salvation
My fortress shall not be shaken
My mighty rock and my glorious
I lay my head upon His chestOn God I rest, on God I rest
Oh, on God I rest, oh, on God I rest
Today, today, today, on God I rest
