

# What's Going On

[Kris Allen](#)

Mother, mother there's too many of you crying  
Oh brother, brother, brother there's far too many of you dying  
    You know we've got to find a way  
    To bring some loving here today  
Father, father we don't need to escalate  
You see war is not the answer for only love can conquer hate  
    You know we've got to find a way  
    To bring some loving here today  
Picket lines and picket signs, don't punish me with brutality  
    Oh and talk to me so you can see  
    What's going on, oh what's going on  
    Yeah what's going on, oh what's going on  
Mother, mother everybody thinks we're wrong  
But who are they to judge us simply because our hair is long  
    Oh you know we've got to find a way  
    To bring some understanding here today  
Picket lines and picket signs, don't punish me with brutality  
    Oh and talk to me so you can see  
    What's going on, oh what's going on  
Come on, what's going on, oh what's going on
