Talkin' Loud

Incognito

There's a new generation
Takin' up the challenge
To raise the consciousness
Of all mankindTellin' it straight without a chaser
Like Train the motivator
Bringin' on new dimensions
To fundamental vibesUnfoldin' revelations
From a universal source
Deep awareness
For the wonders of the worldPeople yearnin' for the learnin'

Optimistic in the quest for peaceSo detach yourself
From stress and ignite
The cultural feel we're standin'
In the frontline
With a message clear for allWe've come in search of wisdom
The inspiration, information
Listen and learnTalkin' loud and sayin' somethin', alright
'Bout the way we live our lives today
Talkin' loud and sayin' somethin', alright
Revelations from a risin' generationBuildin' on solid ground foundation
Complete with soul seduction
Come together, elevate your mindWhat've we got if not each other
You can lean on me, my brother
We got clear intentions
On planetary vibesDetach yourself from stress
