Daddy Sang Bass

Johnny Cash

I remember when I was a lad
Times were hard and things were bad
But there's a silver linin' behind every cloud
Just poor people that's all we were
Tryin' to make a livin' out of black land earth

But we'd get together in a family circle singin' loudDaddy sang bass, Mama sang tenor Me and little brother would join right in there

Singin' seems to help a troubled soul

One of these days and it won't be long

I'll rejoin them in a song

I'm gonna join the family circle at the throneNo, the circle won't be broken

By and by, Lord, by and by

Daddy'll sing bass, Mama'll sing tenor

Me and little brother will join right in there

In the sky, Lord, in the skyNow I remember after work

Mama would call in all of us

You could hear us singin' for a country mile

Now little brother has done gone on

But I'll rejoin him in a song

We'll be together again up yonder in a little whileDaddy sang bass, Mama sang tenor

Me and little brother would join right in there

Singin' seems to help a troubled soul

One of these days and it won't be long

I'll rejoin them in a song

I'm gonna join the family circle at the throneNo, the circle won't be broken

By and by, Lord, by and by

Daddy'll sing bass, Mama'll sing tenor

Me and little brother will join right in there

In the sky, Lord, in the sky

In the sky, Lord, in the sky
