He'll Make a Way

Daryl Coley

When the devil is busy in on your track
I know He will make a way
Trying hard to turn you back
He'll make a way of escapeWhen it seems like trouble is on every hand
He will see you through
All you want to do is take a standWhen you can't give it one more try
He will open doors
And all you want to do is cryTake your burdens to the Lord in prayer
And when you get up, leave your burdens there
I know He will make a way for youWhen the devil is busy in on your track
I know He will make a way
Trying hard to turn you back
He'll make a way of escapeWhen it seems like trouble is on every hand
He will see you through
All you want to do is take a standWhen you can't give it one more try
He will open doors
And all you want to do is cryTake your burdens to the Lord in prayer
And when you get up, leave those burdens there
I know He will make a way for youIn every situation
God will be there for you
Call upon the Master
What He promised He will doHe will be your shelter
In the time of storm
He will be your friend
When everyone is gone
I know He will make a way for youWhen the devil is busy in on your track
I know He will make a way
Trying hard to turn you back
He'll make a way of escapeWhen it seems like trouble is on every hand
He will see you through
All you want to do is take a standWhen you can't give it one more try
He will open doors
And all you want to do is cryTake your burdens to the Lord in prayer
But when you get up, leave those burdens there
I know He will make a way for youHe'll make a way
(He'll make a way)
Oh, won't He do it, won't He do it
(He'll make a way)He'll make a way
(He'll make a way)
