Wasted On The Way

Crosby, Stills & Nash

Look around me, I can see my life before me
Running rings around the way it used to be
I am older now I have more than what I wanted
But I wish that I had started long before I did
And there's so much time to make up everywhere you turn
Time we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away
Oh when you were young did you question all the answers
Did you envy all the dancers who had all the nerve?
Look round you know, you must go for what you wanted
Look at all my friends who did and got what they deserved
So much time to make up everywhere you turn
Time we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away
So much love to make up everywhere you turn
Love we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away
Let the water come and carry us away
