

Deadhouse

Katatonia

Somehow better without this
Headlights fuck the city
Somewhere I'm broken
No sensations anymore
Somehow I never leave this dead house
Somehow I don't mind being gone
And if you really think you've seen me
I have to prove you that you're wrong
What do you say when you speak
I sense no time
Discouraged television sleep
Not awake until it's dark
Somehow I never leave this dead house
Somehow I don't mind being gone
And if you really think you've seen me
I have to prove you that you're wrong
Somehow I never leave this dead house
Somehow I don't mind being gone
And if you really think you've seen me
I have to prove you that you're wrong
