

# I Just Don't Like This Kind Of Living

Hank Williams

I just don't like this kind of livin'  
I'm tired of doin' all the givin'  
I give my all and sit and yearn  
And get no lovin' in return  
And I just don't like this kind of livin'.

Why do we stay together  
We al-ways fuss and fight  
You ain't never known to be wrong  
And I ain't never been right;

Tell me where you think we're goin'  
'cause I ain't got no way of knowin'  
When things go wrong, you go your way  
You leave me here, to pay and pay  
And I just don't like this kind of livin'.

I just don't like the things you're doin'  
Your evil heart will be your ruin  
When things start runnin' smooth and free  
You haul right off and you pick on me  
And I just don't like this way of livin'.

They say the road of love is long  
It's rocky and it's rough  
But if this road don't start to get smooth  
I've traveled it long enough;

Why don't you act a little older  
And get that chip off of your shoulder  
I've told you once, now I'll tell you twice  
You better start to treat me nice  
'cause I just don't like this way of livin'.
