

Put It On My Tab (feat. Akon)

New Kids On the Block

Hey, sexy body keepin' low key is with nobody
Chillin' in the spot so hot
Fellas walk by her and they wanna try to
Get up in her face and holler, talk about what they got
Their whips, their clothes, their jewels, their dough
Don't they know that you're not that type of
Girl to take 'em home for one night, no
You just came to have a drink
Put it on my tab, I'm buyin, I'm sendin a bottle your way
Put it on my tab cause you had a long day
Put it on my tab, I'm buyin, I'm sendin my lovin your way
Put it on my tab, keep doin your thing for me
Put it on my tab, oh put it on my tab, oh
Hey, pretty lady, lookin' at you I'm thinkin maybe
I can slide up and talk
Feel my active, feelin attraction, gotta brother thinkin of askin
If I could know your name
Your age, your sign, what's on your mind
Now you might think that I'm the type of cat
That wants to hit it tonight
But I just came to have a drink
Put it on my tab, I'm buyin, I'm sendin a bottle your way
Put it on my tab cause you had a long day
Put it on my tab, I'm buyin, I'm sendin my lovin your way
Put it on my tab, keep doin your thing for me
Put it on my tab, oh put it on my tab, oh
Hey Mr. Bartender, please make a pina colada
Hold the alcohol, please
And whatever baby girl is sippin' on right there
You can tell her, her drinks on me
Cause we got money to burn as if it really grow on trees
Cause her beautiful body got me willin to party
And she got a big hold on me
And she's holdin, oh yes she's holdin, yeah
Holdin on as much as I'm holdin back
Steady, tryin' to wanna keep her mind on me
Got me sold, oh yes I'm sold, yeah
You're the reason why I'm tossin these stacks
Matter of fact, tonight's the drinks free
Put it on my tab, I'm buyin, I'm sendin a bottle your way
Put it on my tab cause you had a long day
Put it on my tab, I'm buyin, I'm sendin another your way, your way
Put it on my tab, I'm buyin, I'm sendin a
bottle your way
Put it on my tab cause you had a long day
Put it on my tab, I'm buyin, I'm sendin my lovin your way
Put it on my tab, keep doin your thing for me
Put it on my tab, I'm buyin, I'm sendin a bottle your way
Put it on my tab cause you had a long day
Put it on my tab, I'm buyin, I'm sendin my lovin your way
Put it on my tab, keep doin your thing for me

Put it on my tab, oh put it on my tab, oh
Put it on my tab, oh put it on my tab, oh
Put it on my tab, oh put it on my tab
