

Come Back to Black

Wasp

[Judah to Jesse] It is getting hard
For you to be
God of broken light
Will you be the martyr
Can't you see
We'll follow you for life Come and walk on water
Let'em see
The Chosen One's Alive
Won't be their father
Don't you see
They all believe your lies Are you coming back
To the black where we hide
Are you coming back
I'll make you larger than life Judas and Jesus we're
Prophecies here for all time
And with a kiss and the our
Destinies are sealed for life [Disciples to Jesse] Come back to black
[Judah to Jesse] Oh no don't you do it
[Disciples to Jesse] Come back to black
[Judah to Jesse] Where you gonna go
[Disciples to Jesse] Come back to black
[Judah to Jesse] No road to ruin
[Disciples to Jesse] Come back to black
[Judah to Jesse] It's you only road home
[Disciples to Jesse] Come back to black
[Judah to Jesse] Oh no don't you lose it
[Disciples to Jesse] Come back to black
[Judah to Jesse] Where you gonna go
[Disciples to Jesse] Come back to black
[Judah to Jesse] Your forever ruined
[Disciples to Jesse] Come back to black
[Judah to Jesse] Oh your Neon God's home [Disciples to Jesse] Come back
[Judah to Jesse] To the edge of Heaven
[Disciples to Jesse] Come back to black
[Judah to Jesse] Our prodigal son
[Disciples to Jesse] Come back
[Judah to Jesse] Come back forever
[Disciples to Jesse] Come back to black

[Judah to Jesse] Oh, the Prophet's home
