

Brand New Set of Rules

Mick Jagger

I will be kind, won't be so cruel
I will be sweet, I will be true
The pains of love, you'll quickly learn
Are soon to heat and quick to burn I got a brand new set of rules
Because I am your brand new fool
I got a brand new set of rules
I got to learn You'll be so proud, so proud of me
You'll see the change, so plain to see
Because of you, a brand new start
Because of you, a change of heart I got a brand new set of rules
It's just like I was back in school
I got a brand new set of rules
I got to learn I'm going to change, just mark my words
You can't believe all that you heard
All of those lies, all of those rumours
That your friends told you And if I'm left upon the shelf
'Cause you belong to someone else
I've got my brand new set of rules
Because I am nobody's fool I've got a brand new set of rules
I've got to learn
(Ooo, ooo, ooo)
I've got to learn
(Ooo, ooo, ooo)
I've got to learn
(Ooo, ooo, ooo)
Yea
(Ooo, ooo, ooo)
You never change me baby
(Ooo, ooo, ooo)
'Cause I am not gonna allow to err
(Ooo, ooo, ooo)
I've got to learn
(Ooo, ooo, ooo)
I've got to learn
(Ooo, ooo, ooo)
I am not gonna allow to err
(Ooo, ooo, ooo)
Well I am gonna learn I've got a brand new set of rules
I've got to learn
