

# My City

Sirah

Advisory - the following lyrics contain explicit language:

Welcome to my city city city  
Yeah it looks so pretty pretty pretty  
Until you get robbed quickly  
Oops, oops, oops, oops oops  
My crew is all with me Felt empty in this place a few times too many  
Wind blowing through the harbored dusk  
Pickin up dropped pennys  
My thoughts collected  
I'm all for reckless when your lifes at stake  
I'd stake claim with a vengeance  
What doesn't kill you makes you stronger  
I can bench press your bitch  
Carried the burden of these songs, didn't let it kill me yet  
My fate came to doorsteps made of plywood  
Ya'll try to swear I'm hipster to the core  
Come visit my hood  
Not tryna be hard cause I'm that in fact  
Tryna love you while you hate  
Soften blows with tact  
Survived attacks, getting kidnapped,  
Till the blacks of my blues seemed to hit hard as crack  
Welcome to my city city city  
Yeah it looks so pretty pretty pretty  
Until you get robbed quickly  
Oops, oops, oops, oops oops  
Welcome to my city city city  
Yeah it looks so pretty pretty pretty  
Until you get robbed quickly  
Oops, oops, oops, oops oops  
My crew is all with me Take a picture love, it'll last longer  
My inhibitions go harder than your dude tryna smash on you  
Ghetto birds perched on my windowsill singin sad songs  
About cash, guns & armored cars, I sing along

Yeah, I've wronged a few times, life got hard  
Slept on a few tiles always bounce back like my beats bangin in your cars  
My dudes bang your broads  
You think a little girl like me wouldn't really know huh?  
Get on your wiki search if you're tryna throw them blows  
What glimmers ain't always gold  
I'm a diamond in the rough,  
Coal under a lot of pressure, came out well enough  
But you little sluts wanna run your gums,  
Thats how I leave em'  
Like your teeth then play nice with me I mean it. Welcome to my city city city  
Yeah it looks so pretty pretty pretty  
Until you get robbed quickly  
Oops, oops, oops, oops oops  
Welcome to my city city city  
Yeah it looks so pretty pretty pretty  
Until you get robbed quickly  
Oops, oops, oops, oops oops  
My crew is all with me
