All these accidents that happen

Follow the dot

Coincidence makes sense

Only with you

You don't have to speak

I feel

Emotional..Landscapes

They puzzle me

The riddle gets solved

And you push me up to this

State of Emergency

How beautiful to be

State of emergency

Is where I want to be

All that no one sees

You see

What's inside of me

Every nerve that hurts

You heal

Deep inside of me ooh

You don't have to speak

I feel

Emotional..Landscapes

They puzzle me

Confuse

The riddle gets solved

And you push me up to this

State of Emergency

How beautiful to be

State of emergency

Is where I want to be
