Good Evening

I'm reporting live from Sunset Boulevard

Where many excited fans have gathered with candles

Awaiting the much anticipated release, of Tupac Shakur's latest album, Better Dayz

This is yet another post-humorous release by Tupac

Which, raises the question

Where are these songs coming from?

It's interesting how, the message in these songs

Is still relevant today

Even in his death, he's touching people with his lyrics

I can feel the energy in the air, as they count down to midnight

When the album will officially be released

Oh, hold on, I, think they're starting to countdown now5, 4, 3, 2, 1 ...
