

You Walk In My Soul

Gary Numan

When my eyes first saw you
A vision
My heart missed a beat
And I cried
I knew that I loved you
And I do
Now you are my reason for living And now
You walk in my soul
You dance in my heart
You draw breath for me
I'll stand by your side
I'll kneel at your feet
Share my life with me I've waited years
I've waited all my life for you
You are my world
All of my dreams and I need you I'll love you forever
And a day
I'll love you till God comes and takes me away You sing to my soul
You play with my heart
You breathe life for me
I'll always be yours
And I'd die for you
Share my life with me I can't believe
How much you mean to me, and so
Pick up a piece
A piece of my heart
And stay with me
