Sumahama

Beach Boys

Sumahama
There's a lover's leap in old Japan
Where the lovers walk along the sand
Hand in hand at Sumahama
Sumahama
Born a lovely oriental daughter
Never ever having met her father
Asks some questions of her mother
Tell me, tell me mama
Will you ever go again to Sumahama?
Perhaps you'll find love there
Somewhere between the Earth, the sky and water
There at Sumahama
Sumahama
In the autumn as the leaves are falling
One can almost hear the lovers calling
From the sea at Sumahama
Sumahama
Years have past and tears have long since dried
But no amount of time could hope to hide
A love so strong from Sumahama
Tell me, tell me mama
Will you go with me back to Sumahama?
Perhaps you'll find him there
Somewhere between the Earth, the sky and water
There at Sumahama
Sumahama
Soko wa koi suru hitotachi ga
Te ni te o totte aruita
Kireino shiroi hama
Itsu itsu, mama, Sumahama ni
Itsu mata iku no
Sugita ai o sagashi ni iku
Umi no kanata, Sumahama
Sumahama
There's a lover's leap in old Japan
Where the lovers walk along the sand
Hand in hand at Sumahama
Sumahama

Aki ni ki no haga chiru yo ni
Sabishiku kanashii koi no uta
Sumahama no umi kara
Sumahama
Sumahama
Sumahama
