

It's My Life

Dr. Alban

It's my life, take it or leave it, set me free
What's that crap papa, know it all?
I got my own life, you got your own life
Live your own life and set me free
Mind your own business and leave my business
You know everything, papa know it all
Very little knowledge is dangerous Stop bugging me, stop bothering me
Stop bugging me, stop forcing me
Stop fighting me, stop killing me
It's my life (It's my life)
It's my life my worries
(It's my life)
It's my life my problems
(It's my life)
It's my life my worries
(It's my life)
It's my life my problems
(It's my life) Do you understand? I live the way I want to live
I make decisions day and night
Show me signs and good examples
Stop telling people how to run your business
Take a trip to east and west
You'll find that you don't know anything Everyone's getting tired of you
Sometimes you have to look and listen
You can even learn from me
Little knowledge is dangerous, it's my life (It's my life)
It's my life my worries
(It's my life)
It's my life my problems
(It's my life)
It's my life my worries
(It's my life)
It's my life my problems
(It's my life) Set me free, so you bed, so you lie
What you see is what you get
Listen to people and sort things out
Things I do, I do them no more
Things I say, I say them no more
Changes come once in life Stop bugging me, stop bothering me

Stop bugging me, stop forcing me
Stop fighting me, stop killing me
Stop telling me, stop seeing me, it's my life(It's my life)
It's my life my worries
(It's my life)
It's my life my problems
(It's my life)
It's my life my worries
(It's my life)
It's my life my problems
(It's my life)
It's my life
(It's my life)
It's my life
(It's my life)
(It's my life)(It's my life)
Stop fighting me, stop bugging me
(It's my life)
Stop forcing me, stop killing me
(It's my life)
It's my life, it's my life
(It's my life)
Stop fighting me, stop bugging me
(It's my life)
Stop forcing me, stop killing me
(It's my life)
It's my life
(It's my life)
