Nothing Really Matters

Mr. Probz

When she's O.K.
Then I'm alright
When she's awake
I'm up all night
Nothing really matters
Nothing really mattersI see her face
And in my mind
I seize the day
Whenever she's nearby
It's like nothing really matters, no
Nothing really mattersShe completes me
How she reads me
Right or wrongIt's so clear she's
All that I need
All I needI know what it feels like
I know what it feels like
Swimming through the stars when I see her
And I don't need air 'cause I breathe herI know what it feels like
I know what it feels like
I breathe her
I breathe her
Every time I see her
Every time I see her, ohWhen I'm lost
And need a sign
She leads the way
And I'll be fine
Nothing really matters
Nothing really mattersShe completes me
How she reads me
Right or wrongIt's so clear she's
All that I need
All I need, yeahI know what it feels like
I know what it feels like
Swimming through the stars when I see her
And I don't need air 'cause I breathe herI know what it feels like
I know what it feels like, yeah
I breathe her
I breathe her
Every time I see her

Every time I see her, ohEvery time I see her, oh
Every time I see her, ohWell she's O.K.
And I'm all right
When she's awake
I'm up all night
Nothing really matters
Nothing really matters
