The Reflection

TRUSTcompany

I feel it
Suffocating from the last time before
But I can't see his face
Reaching forward as I rise off the floor
'Cause I'm lost in this place
I can feel it surround me
It's breaking the skin, I'm letting it in now
I can feel it surround me
It's all that I see, the reflection is me
Falling faster than the first time before
As I look at you now
Losing focus on my way out the door
'Cause I can't make you out
I can feel it surround me
It's breaking the skin, I'm letting it in now
I can feel it surround me
It's all that I see, the reflection is me
It's always right here, it follows me still
The faceless looking back at me
The darkest of views come focusing through
To see looking back at me, looking at me, looking at me
I can feel it surround me
It's breaking the skin, I'm letting it in now
I can feel it surround me
It's all that I see, the reflection is me
