

# Last Christmas

## X-Session

Last Christmas, I gave you my heart  
But the very next day, you gave it away  
    This year to save me from tears  
    I'll give it to someone special  
    Once bitten and twice shy  
I keep my distance but you still catch my eye  
    Tell me, baby, do you recognize me?  
Well, it's been a year, it doesn't surprise me  
Merry Christmas, I wrapped it up and sent it  
    With a note saying, "I love you", I meant it  
    Now I know what a fool I've been  
But if you kissed me now I know you'd fool me again  
    Last Christmas, I gave you my heart  
    But the very next day, you gave it away  
    This year to save me from tears  
    I'll give it to someone special  
    Last Christmas, I gave you my heart  
    But the very next day, you gave it away  
    This year to save me from tears  
    I'll give it to someone special  
A crowded room and friends with tired eyes  
    I'm hiding from you and your soul of ice  
My God, I thought you were someone to rely on  
    Me? I guess I was a shoulder to cry on  
    A face on a lover with a fire in his heart  
    A girl undercover but you tore her apart  
    Maybe this year, maybe this year  
    I'll give it to someone special  
'Cause last Christmas, I gave you my heart  
    But the very next day, you gave it away  
    This year to save me from tears  
    I'll give it to someone special  
    Last Christmas, I gave you my heart  
    But the very next day, you gave it away  
    This year to save me from tears  
    I'll give it to someone special  
        And last Christmas  
        And this year won't be anything like  
            Anything like

Last Christmas, I gave you my heart  
But the very next day, you gave it away  
And this year to save me from tears  
I'll give it to someone special
