

# Underneath It All

## Zebrahead

There's times when I want something more  
Someone more like me  
There's times when this dress rehearsal  
Seems incomplete  
But you see the colors in me  
Like no one else  
And behind your dark glasses  
You're, you're something else  
You know some real bad tricks  
And you need some discipline  
But lately, you've been trying real hard  
And giving me your best  
And you give me the most gorgeous sleep  
That I've ever had  
And when it's really bad  
I guess it's not that bad  
You're really lovely, underneath it all  
And you want to love me, underneath it all  
I'm really lucky, underneath it all  
And you're really lovely  
And so many moons that we have seen  
Are stumbling back next to me  
I've seen right through and underneath  
And you make me better  
I've seen right through and underneath  
And you make me better, better, better  
For real, 'cause underneath it all

You are my real prince charming  
Like the heat from the fire  
You were always burnin'  
Anytime you're around  
My body keeps calling for your touch  
Your kisses and your sweet romancin'  
There's an other side of you that so many adore  
Aside from your temper everything else secure  
You're good for me, baby, of that I'm a sure  
'Cause over and over, give me one more  
You've used up all your coupons

And all you got left is me  
And somehow, I'm full of forgiveness  
I guess it's meant to be  
You're really lovely, underneath it all  
And you want to love me, underneath it all  
I'm really lucky, underneath it all  
You're really lovely  
You're really lovely, underneath it all  
And you want to love me, underneath it all  
And I'm really lucky, underneath it all  
And you're really lovely  
Underneath it all  
Underneath it all  
Underneath it all  
Underneath it all
