Long Way to Go

Pretty Maids

I met a girl who really shook my foundation
You know, that chick is really driving me mad
But she lives that life that she loves to live
Yes, she doesShe's out on the street
In leather and lace
She's all that I need
I'm in for the chase
And then she turns her back on meIt's like her body's been chained to my eyes
I'm living in a fantasy and though you know
That your heart never lies
You know it's such a long way to goIt's a long way to go
Such a long way to go
It's a long way to go
Such a long way to goShe knows exactly how to draw my attention
You know that feeling running down your spine
She's dragging my heart around and around
'Round and 'roundShe's the one I'm dreaming of
And now I become a prisoner of love
I'll catch her smile while going down
Going downIt's a long way to go
Such a long way to go
It's a long way to go
Such a long way to goGetting closer
Won't be long
She's so hot
I just can't get her out of my headIt's a long way to go
Such a long way to go
It's a long way to go
Such a long way to go
