So Long Baby

Del Shannon

I see your laughin' and
Tellin' everyone in town
That you've made a fool of me
Well, go and talk some more
'Cause baby I don't care no more
You don't bother me at all
'Cause I got news for you
I was untrue too
And I don't care what you say
So go and laugh some more
'Cause baby I don't care no more
I've got another lover of my own
Step by step you put me down
Always callin' me a clown
If you ever go away, promise me that you'll stay

Far, far, far, far, far from me
Now that we've played our game
I guess we're both to blame
We tried to break each others hearts
You had one jump on me
But I jumped twice you see
It's over now, be on your way
So long baby, be on your way
I had a ball, you thought I'd fall
You had one jump on me
But I jumped twice you see
It's over now, be on your way
So long baby, be on your
