Biohazard

Monday morning schools so boring
Go to work like a jerk and end up snoring
Tuesdays mail never fails
Collection agency wants me in jail
Wednesday's rules got me ignoring, deploring
All my tensions roaring
Thursday same shit different day
But these mother fucking rules will never ever go away
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules
Friday night gonna be out of sight
If you're 21 they say drinking might be fun
Saturday Bible says seventh day
Go take a rest so have it your way
Go for a ride keep it under 55
Respect the badge don't drink and drive
Sunday gotta survive these fascist fools
Take your freedom back from the bullshit rules
Call me paranoid, call me what you will
I got a fucking feeling something big is going down
Call me paranoid, call me what you will
I got a fucking feeling something big is going down
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules
Call me paranoid, call me what you will
I got a fucking feeling something big is going down
Call me paranoid, call me what you will
I got a fucking feeling something big is going down
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules, c'mon
Fuck the rules, fuck fuck the rules
