Oh No

Jack + Eliza

I don't want to happen
And I can make that action
And I don't want to happen
And I can make that actionOh no!
You made it home again
(Before I'd known)
Oh no!
The door's completely gone,
You've built a wall
(It's hard, it's hard)And do you want to try it anymore?
You've been waiting on the war
Do what you want
And do you want to try it anymore?
You've been waiting on the war
Do what you wantOh no!
You made it home again
(Before I'd known)
Oh no!
The door's completely gone,
You've built a wall
(It's hard, it's hard)I don't want to happen
And I can make that actionAnd do you want to try it anymore?
You've been waiting on the war
Do what you want
