## Goo Goo Dolls

Could you whisper in my ear  
The things you wanna feel  
I'd give you anythin'  
To feel it comin'Do you wake up on your own  
And wonder where you are?  
You live with all your faultsI wanna wake up where you are  
I won't say anything at all  
So why don't you slideYeah, I'm gonna let it slideDon't you love the life you killed?  
The priest is on the phone  
Your father hit the wall  
Your ma disowned youDon't supposed I'll ever know  
What it means to be a man  
It's somethin' I can't change  
I'll live around itI wanna wake up where you are  
I won't say anything at all  
So why don't you slide  
Ooh, slideAnd I'll do anythin' you ever dreamed to be complete  
Little pieces of the nothin' that fall  
Oh, May  
Put your arms around me  
What you feel is what you are  
And what you are is beautiful  
Oh, May  
Do you wanna get married Or run away?And I'll do anythin' you ever dreamed to be complete  
Little pieces of the nothin' that fall  
Oh, May  
Put your arms around me  
What you feel is what you are  
And what you are is beautiful  
Oh, May  
Do you wanna get married  
Or run away?I wanna wake up where you are  
I won't say anythingAnd I'll do anythin' you ever dreamed to be complete  
(Yeah, slide)  
Little pieces of the nothin' that fall  
(yeah slide)  
And I'll do anythin' you ever dreamed to be complete  
(Yeah slide)  
Little pieces of the nothin' that fall

(Oh, oh slide)

Yeah, slide between the sheets of all them beds you never knew

(Yeah slide)

Why don't you slide into my room

Just slide into my room

Oh, we'll run away, run away, run away
