

Perfection (Radio edit)

Dannii Minogue

You're perfection
(All that I want)
You're perfection
(Won't give you up) He was standing in the middle, but thoughts of you remain
Every time you leave me baby, I'm taken back again You show me places that I've never been
You give me love, I give you all I can!
There's no doubt 'cause it's in everything that you do [Chorus]
You're perfection, you're all that I want
There's a reason I won't give you up
No, I can't lie- boy, you should know
I'm achin' inside
I'm achin' inside
You're perfection, you're all that I want
There's a reason I won't give you up
No, I can't lie- boy, don't you know
I'm achin' inside
I'm achin' inside, for you No more fears, no more confusion when you're in my life
My mind is under no illusion
Never felt so right You show me places that I've never been
You give me love, I give you all I can! [Chorus] Boy you know you're so perfect
How can you be so damn perfect?
Boy you know you're so perfect
How can you be so damn perfect?
Boy, Boy, Boy, Boy, Boy (Perfection!) [Chorus]
