

Heroin

Channel Zero

Do you need to feel so empty, so full of shit
You never been so far and so damn close
You wake up, stuck, ready to fuck somebody up
But one day, it'll bring you down Oh, set me free, your radiance could rescue me
I'll pay you back, I'll pay you back
Oh, set me free, your radiance could rescue me
I'll pay you back, uh Candle lights burn inside but for how long?
There's a time to come and time to go
Someone said, "Son, make sure you go on
Push until the light turns white, we all know it'll bring you down" Oh, set me free, your radiance could rescue me
I'll pay you back, I'll pay you back
Oh, set me free, your radiance could rescue me
I'll pay, I'll pay you back, I'll pay you back
I'll pay you, I won't pay you back
[Incomprehensible] And it's too late to crawl back, yeah, I should have known
Temptation was my second name
You break, steal, ready to kill for money to close a deal
Yes, it has brought you down Oh, set me free, your radiance could rescue me
Oh, set me free, your radiance could rescue me
Oh, set me free, your radiance could rescue me
I'll pay you back, I'll pay you back
