Without You

Charlie Wilson

It feels like a lifetime
A thousand days have passed by
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with meHeaven knows what to say
Even though for right now youre so far away
I hope and I pray
Somewhere in your heart Ill always stayGirl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step
And my last breath in my life endingHad to say just what I was feeling, girl
Cause my sun doesn't shine
Sun doesn't shine without youThis is more for me than for you
Girl, I finally see theres no substitute
For what we have
Do you know how much I love you?Heaven knows what to say
Even though for right now youre so far away
Gonna tell you and show you
Do whatever I can do to get back to youGirl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step
And my last breath in my life endingHad to say just what I was feeling, girl
Cause my sun doesn't shine
Sun doesn't shine without you
