

Drums of the Islands

[Elvis Presley](#)

Drums of the islands youre beating in my heart
Youre with me no matter where I roam
If ever I wander if ever were apart
I know that you will lead me home If I should journey across the deep blue sea
Ill never forget these coral shores
Drums of the islands I hear you calling me
And Ill return forever yours I love each valley each grain of sand each hill
The flowers the music of the isles
These are the things I love and always will
Though I may roam ten thousand miles
