

I Wasn't With It

Jesse Powell

Uh, uh, uh, what? Check it out, check it, check it
Check it out , check it out , check it, check it, check it out
Now, tell your girlfriends to mind their business
Yeah what? Tell your girlfriends to mind their businessI swear I never ever told you no lies
I'm where I wanna be, right by your side
Come on, what? I never meant for you to question me why
'Cuz you're the only one girl, in my life, yeahSo don't you say it, say it, I didn't hit it, hit it
I wasn't with it, with it, I wouldn't cheat on you
So don't you say it, say it, I didn't hit it, hit it
I ain't with it, with it, I wouldn't cheat on youWhat makes you think I wanna play around, baby
And jeopardized the love we have? No way and girl
I do still love you the same, um mm, so don't you listen
To a word your girlfriends say, no, no, no, noSo don't you say it, say it, I didn't hit it, hit it
I wasn't with it, with it, I wouldn't cheat on you
So don't you say it, say it, I didn't hit it, hit it
I ain't with it, with it, I wouldn't cheat on youHow can I change your mind?
Baby, I never meant to make you cry, no
So tell me what I've done wrong to ever make you
Think that I would do you wrong, ohSo don't you say it, say it, you stop listening to your girlfriends
Baby, just leave 'em alone, I didn't hit it, I wasn't wit it
Come on baby, come on baby, stop shivering, stop listening
Your girlfriends baby, just leave 'em alone, I didn't hit it, hit it
I wasn't with it, with it, come on babySo don't you say it, say it, I didn't hit it, hit it
I wasn't with it, with it, I wouldn't cheat on you
So don't you say it, say it, I didn't hit it, hit it
I ain't with it, with it, I wouldn't cheat on youSo don't you say it, say it, I didn't hit it, hit it
I wasn't with it, with it, I wouldn't cheat on you
So don't you say it, say it, I didn't hit it, hit it
I ain't with it, with it, I wouldn't cheat on youSo don't you say it, say it, I didn't hit it, hit it
I wasn't with it, with it, I wouldn't cheat on you
So don't you say it, say it, I didn't hit it, hit it
I ain't with it, with it, I wouldn't cheat on you
